

## MAKING PEOPLE AND VILLAGE HEALTHY - GENERAL PROCEDURE

### 1. WE GO TO ANY VILLAGE AND ASK –

Anybody suffering from problem / particularly Health problem? We have come to serve you all, we work for humanity and services will be given free of cost.

- We start healing the suffers – they get relief.
- In the mean time nearly all the villagers come and gather.

### 2. WE TELL THEM –

We are here to serve you all.

We work for Humanity.

We give service Free of cost. No Money is required.

We require name of the person, problems and how many are better now?

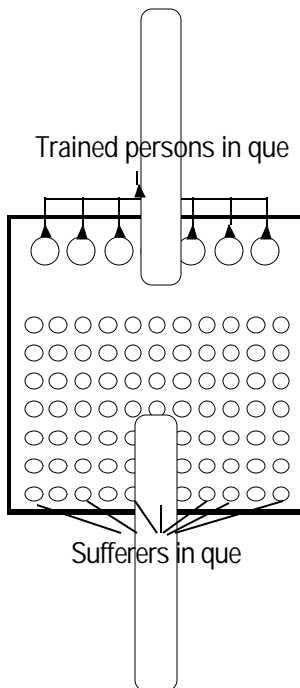

### 3. TRAINING-

We can teach you this – Free of cost.

We conduct small classes of about – 1 ½ Hour nearly all of them get relief and feel better.

We make them seat in a systematic manner.

### 4. SERVICES GUIDANCE-

Now we tell them to apply the method on sufferers one by one under our guidance. After healing few suffers, they get confidence of solving the problems with regard ti Health & Peace.

#### Heal the Suffers

Trained person can apply the method independantly. Like this whole village can be made healthy without medicine and Money.

Sense of humanity and brotherhood is created to serve all. There by Peace is established.

- This way, many villages in India are covered and similarly...
- Media in Ghana.
- Alikarimu and Sherere in Kenya are done.

This can be done any where, any place, any time.
